

**U.S. HOUSE REPUBLICAN LEADER JOHN BOEHNER (R-OH)**

May 1, 2008

Dear Friend:

I'm writing you today on behalf of Chris Cannon, a good friend of mine and one of the most effective Republican legislators in the U.S. House. Chris is a hard worker who is committed to our core principles of freedom and security, and has been a key ally in our effort to *earn* back the majority in Congress.

Twice elected by his colleagues as Chairman of the Western Caucus, Chris has repeatedly shown his ability to lead Republicans and Democrats alike in passing legislation that reflects our conservative values. And it's paid off time and time again. Last fall he was a leader in the effort to keep the Internet free from federal taxes. And he recently sponsored a bipartisan crime bill that passed overwhelmingly and was signed into law by President Bush.

These kinds of victories don't happen every day. The fact that Chris knows how to get things done makes him an excellent advocate for families, soldiers and veterans, and small businesses in Utah.

Before I was elected by my colleagues to serve as Republican Leader, I was the Chairman of the House Education and the Workforce Committee. If I learned one thing from my experiences there and on the House Agriculture Committee, it was that getting things done in the House of Representatives is no easy task. That's why Chris Cannon's record as a legislator is so impressive.

You know as well as I do that Washington is broken. Chris Cannon is the kind of guy who has the influence and the know-how to help fix it. I hope you'll join me in supporting Chris Cannon for re-election.

Sincerely,

A handwritten signature in black ink that reads "John A. Boehner". The signature is written in a cursive, flowing style.
